The weather was:

The day you were born

Angels

sang on heaven's hill
and church bells rang.

My favorite memory from that day

You are

Heaven to me!

Joy

Your first night home we:

Leopards

danced by firefly light. The moon

glowed and the stars

shined bright.

To get you to sleep I would....

You are my

jumped for joy through the
whistling breeze.

When I found out you were coming I...

The **Earth**

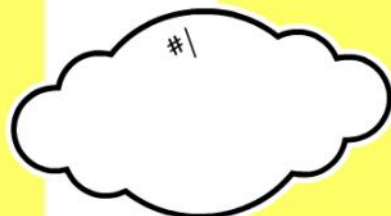

rejoiced at the news of your
birth, because deep in its center
it knew all you are worth!

When I told everyone about you...

Three words that describe you are:

Cities & people & buildings & places all
lined up and waited for your

human races!

My first

Your triumphs

made mountains, your defeats
dug low to give you the ride of your life,
don't you know!

Your favorite books to read
were...

Your birth was the start of the

greatest

of tales filled with fury and
courage and peppered with
snails!

You are my happily ever after!

You shine brightest when you:

The stars, they
all
twinkle
&
shine

like they do
because they're
applauding the
life of you!

I

you.

You're

TALENTED, GIFTED,

AMAZING to boot!

You amaze me when you...

You're

and you're

One of the strongest
and toughest members
of your family tree
is...

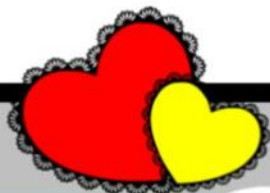

You...

up the life of all that you know...

You brighten our home by...
